Karina's Hour Of Power

Karina Prefontaine I love this **Suzi Dafnis**
I did this over 3 hours and smashed out 30 product descriptions and sent them to my webdesigner.
I also almost completed the images aswell but these haven't been sent.
I'm aiming for end October and I think I'm going to make it.

A yellow Volkswagen van is driving away from the viewer on a two-lane asphalt road that stretches into the distance. The road is flanked by dry, scrubby vegetation. In the background, there are large, rugged red rock formations under a clear blue sky with a few wispy clouds. The van has a white roof rack and a license plate that reads 'JANUARY'.
